

Performance Path Training Opportunity: Mid-construction blower door test demo

Builders, building officials, trades, designers, suppliers: get an introduction to this important part of the Step Code process!

- No charge, quick registration via email to eo@chbanorthernbc.ca
- Coffee break refreshments provided
- Hosted at an indoor construction site (work halted for the demo): dress warm and comfortable
- Hosted by North Nechako Homes and facilitated by Rod Croome, Energy Advisor with Hometech Energy Solutions

Date: Tuesday February 25, 2020

Time: 10am-noon

Location: On-site at [3955 Larisa Court](#) in the Nechako View Subdivision, Prince George
